NILAMONI SAIKIA

An enterprising professional aiming to leverage multi-faceted experience in **operations**, **project management**, and **service delivery** to drive organizational efficiency, strengthen client relationships, and enable sustainable business growth across diverse sectors.

PROFILE SUMMARY

- Operations and Project Management Leader with **27+ years of experience** in driving end-to-end **service delivery**, **technical operations**, and **strategic project execution** across multiple regions of India including East, Northeast, and Western territories.
- Recognized for **optimizing operational efficiency** and implementing scalable frameworks that ensure **SLA/KPI adherence**, **risk mitigation**, and **regulatory compliance** in dynamic, high-stakes environments.
- Expertise in **vendor and contract management**, consistently negotiating and managing agreements to drive **cost efficiency**, **service quality**, and **strategic partnerships**.
- Skilled in **driving business growth** through client engagement, strategic account management, and identification of **upsell/cross-sell opportunities**, resulting in increased revenue, retention, and brand loyalty.
- Strong background in planning **large-scale projects**, ensuring on-time delivery, minimal escalations, and adhering quality standards, under complex, multi-location operations.
- Experienced in **capacity building** and **talent development**, implementing succession planning, training, and performance frameworks that boost team productivity.
- Versatile leader with a proven track record of **driving measurable results in energy, utilities, education technology, and infrastructure sectors**, with a strong orientation toward client satisfaction, operational excellence, and sustainable growth.

WORK EXPERIENCE

TATA ClassEdge Limited, North East & Western India | Nov'2011 Onwards

May'2023 – Present | Relationship Manager – North East Region

- Nurturing relationships with **100+ school accounts**, serving as the primary client liaison and ensuring timely resolution of queries within 48 hours.
- Driving **cross-sell** and **up-sell**, enhancing product adoption and revenue growth.
- Partnering with **academic and technical teams** to oversee seamless product deployment and providing strategic, ongoing client support.
- Designing and executing **strategic engagement programs** to strengthen client satisfaction, loyalty, and retention across the portfolio.
- Leading regular **on-site visits**: quarterly for all accounts and monthly for high-priority clients to reinforce brand credibility and trust.
- Optimizing **complaint resolution** and **usage tracking processes** through cross-functional coordination, driving operational efficiency.
- Monitoring **SLAs, KPIs, and collections**, ensuring service excellence, regulatory compliance, and minimizing delinquent accounts.

Highlights

- Drove a **20% increase in product adoption** through targeted engagement.
- Achieved **95% renewal rates** and reducing client terminations by **18%**.
- Improved **client satisfaction scores by 15%** and decreasing **service escalations by 30%**.
- Reduced **delinquency levels by 25%**.

Jan'2021 – Apr'2023 | Regional Head – Sales & Operations – Gujarat

- Owned full **P&L responsibility** for the region, driving revenue growth, cost optimization, and overall profitability.
- Analyzed **sales trends, competitor activity, and market intelligence** to guide strategic business decisions.
- Enhanced **team performance** through capability building, coaching, and structured performance management.
- Implemented **succession planning** & strengthened **talent pipeline**, reducing role vacancies.
- Leveraged **SEP and SDEP analytics** and promoted **SFDC adoption** to improve salesforce efficiency, pipeline visibility, and reporting accuracy.

CERTIFICATIONS
